Subj: Character Ref. Letter
for Mr. Larry Millete

To Whom it may concern,

My name is Ricky F. Lincoln. I retired from the Navy as a Chief Deep Sea Salvage Diver, and from Naval Munitions Command North Island NAS. I've held a Secret Clearances for both military / civilian commands that involved Nuclear Weapons, and responsible for other numerous type of ammunition / explosives.

I known Larry since 2006. He has an impeccable work ethic. The people that I've met at his job speaks very highly of his demeanor and character, and how he always goes above and beyond the standards of his department.

I've watched Larry's inner actions with his family over the years. He is very dedicated to his family's well being. To be perfectly honest, he spoils his family, but in a good way. His children are very advance for their age. He, provides, guides, and protects his family. This is very important to him from discussions I've had with him. He's very loyal to his wife, Maya and the children. Neighborhood kids have rung his doorbell and asked if Larry can come outside and play. His being a good father, goes outside the scope of his family. Larry has cool toys, and he shares the with everyone.

Larry is hurting, this i know, but he's very patient. The threats on Social Media, and the incorrect news reporting doesn't help either.

Last i heard in this country, you're innocent until proven guilty. We

both put our lives on the line and gave an oath to protect this country and the Constitution. He shouldn't have to be treated this way by the people, news media, or the authorities.

R.F. Lincoln

P.S. Two rifles on Mr. Millete Gun Restraining Order belongs to me (Ricky F. Lincoln) The Highpoint 45 Carbine, S/N R17537 and the Arco Precision SPR-2, S/N 000554. I purchased both of these guns legally in San Diego, Ca. I do have the paperwork on both of them.
